Dear Taylor Student,

Your financial aid file has been selected for verification. Before we can release your aid for the spring term, you must submit the following documents:

1. A signed Verification Worksheet
2. A copy of your 2025 federal tax return transcript

Your documents must be received by December 1, 2026. If they are not received by this date, a hold will be placed on your spring registration.

If you are a dependent student, you must also submit a copy of your parent's 2025 tax return transcript.

Upload documents through the student portal at portal.example-state.edu or email them to finaid@example-state.edu.

Sincerely,
Office of Financial Aid
